TOWN LIBRARY

Our library is still located in the home of Mrs. Abby J. Goodhue, librarian.

Fifty-six books have been purchased this year at the expense of \$60. Nine books have been donated. We have a balance on hand of \$71.62.

We intend to purchase new books in the spring and would be glad to receive suggestions from patrons in regard to them.

The librarian reports a better patronage of the library by town's people than in previous years. •

REPORT

OF THE

Springfield School Board

In presenting our annual report we would call your attention to the improved condition of the school buildings in use. The school-house in Sanborn Division has been shingled, the Morgan and Center school-houses have both been painted on the outside, and the Center school-house has been papered, painted, etc., on the inside, making the room more attractive to the pupils. Minor repairs have been made on other houses. We would suggest that money be raised the coming year to renovate, at least one school room, for we believe that pupils do better work in a clean attractive room.

There being no suitable place for school in Kempton Division, we were able to hire a room of Mr. Frank Sherrick, in the Kibbee house for \$5.00 per term, and by fitting it up with desks taken from the Smith school-house, have a comfortable place for school at present. The school-houses in Fowler, Kempton and Smith Divisions have been sold according to the vote of the district.

We have been able, in most of the schools, to employ experienced teachers, and we believe good results have been obtained. The attendance has been very good, and if it had not been for the severely cold day

of January 13, a much larger roll of honor would be recorded.

All the schools, with the exception of Kempton, have had the full number of weeks required by law in order to obtain State aid. Owing to scarlet fever in the Kempton Division the school had to be closed, so that division will be entitled to two weeks extra in the spring.

This last year the pupils of the Center school started a school library, and to encourage and help the girls and boys in their earnest effort, Mrs. Boyce has contributed two-thirds of her salary towards the purchase of such additions as may be a help and pleasure in their school work. The books are to be purchased in the spring.

In compliance with the law we would recommend that \$250 be raised for high school tuition, \$100 for scholars supplies, text-books, etc., \$100 for repairs and \$60 for officers salaries.

In closing we would remind you of two very important duties which you owe your children. Visit the schools, showing to the teachers and scholars that you are interested in them and their work, and come out to the school meeting.

Respectfully submitted,

CARL B. PHILBRICK,
LOYAL BARTON,
MARY S. BOYCE,

School Board.
